

Tulsi Body Wash

- **Provides Natural Moisture**
Keeps skin hydrated and prevents dryness, ensuring a smooth and nourished feel.
- **Enhances Skin Elasticity**
Improves skin elasticity, making it firmer and more resilient to external factors.
- **Strengthens Skin Against Seasonal Variations**
Helps protect skin from harsh weather conditions, especially in changing seasons.
- **Soothes Itching**
Relieves itching caused by dry skin, allergies, or irritants.
- **Treats Herpes and Scabies**
The natural properties of Tulsi make it effective in managing skin conditions like herpes and scabies.
- **Reduces Prickling Skin Sensation**

Use : While bathing on body.

Tulsi Body Wash

Calms and alleviates prickling or burning sensations, making it ideal for sensitive skin.

- **Fights Skin Infections**

Antibacterial properties help protect the skin from infections and maintain its health.

- **Purifies Skin**

Tulsi's natural cleansing properties detoxify and purify the skin.

- **Maintains Skin Tone**

Helps to even out the skin tone and enhances its natural radiance.

- **Gentle on Skin**

Free from harsh chemicals, ensuring a mild and safe experience for all skin types, including sensitive skin.

Use : While bathing on body.
