

Turmeric Powder

- **Rich Golden Yellow Colour**

Contains garden-fresh turmeric with a vibrant golden yellow hue, indicating purity and high curcumin content.

- **Made from Dried Mature Rhizomes**

Ground from fully matured turmeric roots, ensuring maximum flavor and medicinal benefits.

- **Low in Calories and Cholesterol**

Ideal for a health-conscious diet, as it adds flavor without contributing to calorie or cholesterol intake.

- **No Artificial Colors Added**

100% natural product with no synthetic coloring agents, ensuring safe and clean consumption.

- **Powerful Anti-Inflammatory Properties**

Contains curcumin, which helps reduce inflammation in the body.

Use : Used for cooking and health benefits

Turmeric Powder

- **Boosts Immunity**
Known to enhance the immune system and fight infections.
- **Improves Digestion**
Stimulates bile production, aiding in better digestion and gut health.
